Your Permission

Dear Parents/ Carers,

As many of you will know, here at Trent our children enjoy using ICT in creative and exciting ways to enhance their learning on a daily basis. Over the past two years, we have been fortunate enough to receive an array of new equipment, which has enriched our curriculum and enthused our learners. Our next step is to share this with you.

Following the success of our DVD for the year 2013/14 we will be making DVDs for 2014/2015. We hope that these will be cherished memories for your child to keep as well as being a way of sharing their school life with you.

We aim to include: Photos of the children as they enjoy class trips, sharing assemblies, whole school activity days, the Christmas or Summer Production and any other projects which the children are proud of!

We would like the children to take ownership of their Sharing DVD by deciding any extras to be included. This will then be available for you to purchase at the end of the year, if you wish.

We know how much the children love joining in with class photos and videos, however we must ask for parental permission for your child's image to be used on the DVD. If you would rather your child not be involved, please let us know in writing addressed to Mrs L Yarwood.

I would just like to assure you that the images on the DVD will be for Trent School and parental use only.

Mrs Yarwood
