School Council 2016/17

I would like to take this opportunity to congratulate the following pupils on being elected to represent their class as part of the school council this year! Our School Council will be meeting on a weekly basis to discuss items that have arisen from the pupil suggestion box or issues that have arisen from their class.

Have a read and find out why these children wanted to be part of School Council and what they hope to achieve for the year ahead.

Year 3

Leo – I am looking forward to being in school council as I would like to get a range of new after clubs up and running.

Bella – I'm looking forward school council sessions as it's an opportunity to find out about the people around me and I believe that when we all work together the finish can be absolutely amazing.

Year 4

Marco – I am looking forward to being in the school council as I really want to help make Trent school an even better place to learn.

Andrew – If you become part of school council, it is a chance to learn more about the curriculum and might even lead to a to becoming an MP when we are older. I will also improve our school to become an even better place to work.

Year 5

Maria – I am really glad to be part of school council as I can represent my class in our discussions and make this school an even better place.

Philip – I am extremely excited to have the privilege of having my ideas noticed during school council meetings so that I can improve the atmosphere of our school.

Year 6

Ethan – Being a part of school council is an opportunity to improve things that are broken or to encourage Mrs Yarwood to buy new things that our school needs to be even better for all of us.

Anthea – I'm excited to be in school council as we can put forward our new ideas and make this the best school in Barnet!
