

The CPPW Committee met twice during this Summer Term 2017. Topics discussed included an alternative curriculum for RE and a review of the SDP. We had face-to-face Subject Leader end of year reviews in English, Maths and Creative Curriculum with the emphasis on “Where do we go from here post OFSTED?” Reports were tabled from all other Subject Leaders. Policies reviewed included “keeping track”, pupil premium and SEN expenditure. Thanks were expressed to all Staff and pupils for an OUTSTANDING year.
