

## Photography/filming consent form

Consent from a parent/carer is required for the school to be able to take and use photographs or video of pupils other than for educational purposes or for purposes relating to pupil safety and wellbeing, etc. We sometimes use photos and videos for other reasons, including celebrating children’s achievements and promoting the school. We take care with photos and video of pupils, as set out in our Privacy Notice and Safeguarding Policy available on the school website.
