Being a Healthy School

At Trent School, we are really proud of our Barnet Healthy School Gold status and all the work that went into achieving Bronze and Silver awards. We remain committed to helping our children learn about healthy lifestyles so that they can flourish academically, physically and mentally. This week, Mrs. Breheny and Mrs. Holmes (cook) were invited to talk about some of the work we have been doing around reducing sugar at the launch of the Barnet 'Sugar Smart' event. This is a new Barnet initiative for organisations to join to help reduce sugar consumption. Mrs. Breheny will be doing lots of work over the rest of the academic year to support this initiative here in school. We will also share information on this initiative with you in the newsletter.

Have a wonderful weekend

Pupil Voice

This week, the whole school were invited class by class to visit Year 4 and to look at the 'Museum' they had set up all about their previous topic. Reception class particularly enjoyed looking at all the fabulous projects.

Sienna O in Reception really enjoyed the PowerPoint all about American food. She says:

"I liked the pictures as it was funny. My favourite was the bit all about burgers"

Creative Curriculum

Miss Wheeler leads our Creative Curriculum here at Trent. She has written a little bit about what this means and why we are so passionate about it.

At Trent, our pupils love the Creative Curriculum! Project-based learning centred around a Big Question to drive curiosity, means children are able to immerse themselves in exciting, meaningful, and memorable learning experiences. Links are made between subjects to contextualise and motivate learners. The Trent Creative Curriculum is celebrated through the totality of school life from class assemblies to eye-catching displays. We even turn our classrooms in to museums where other classes have the opportunity to visit the exhibitions and see the wonderful class work and home-learning projects that have been completed.

Reception Class enjoyed visiting Year 4's 'Museum' this week.

Celebrations

Serve one another in love awards

Thankfulness Box

My sneaky peak into the 'Thankfulness Box' this week was another joy with nominations ranging for children across the school. There was even a nomination for cook, who someone was thankful for her cooking. Chosen at random from the box this week were, **the children who attend coding expert club** and who were nominated by Joshua in Year 6 (who runs the club). He wrote:

'I am thankful for coding club for being grateful, even when it took 30 mins to set up the laptops for the club.'

Doodle Maths

The scores on Doodle Maths took me aback this week- three classes scored over 1000 stars! Congratulations to **Year 1** for being top Doodlers this week. Well done to the following for being the top three Doodlers across Reception to Year 4.

1 st Place	2 nd Place	3 rd Place

Congratulations

Well done to **Avi** (Reception Class) for achieving his Stage 2 swimming badge and **Ellie** (Year 3) for achieving her Stage 3 badge.

Congratulations to this avid swimmer from Year 5, who competed in the Hertfordshire County Championships last weekend. She came an impressive 4th in the 50m backstroke in the 10 year olds category and an overall 13th in the 10/11 age group- knocking off one second off her personal best. Very well done to you!

Please do continue to send in any certificates or share any achievements with us, we really enjoy celebrating the children during our Thursday 'Celebration' assemblies.
