

This week at Trent...

Issue 16

The children have had the most wonderful time as part of science week at Trent. Special thanks to Miss Holmes, our science lead, for helping us to organise such high quality first hand experiences for the children...let's hope we have helped to inspire the next generation of scientists!

You will have seen from Mrs Yarwood's communications our plans for a 'virtual' Trent School. You will receive your child's log in details today and we hope this will help you to support your child's learning at home.

Wishing you and your families well.

Mrs. Breheny

Pupil Voice

Year 2 had lots of fun making bug hotels as part of science week. Nico was excited to tell me: *"It was fun when we were making the bug hotel because we got to collect sticks and leaves to make the layers for the bug hotel. I hope a few caterpillars and wood lice come in!"*

Keeping Active at home

As many of us prepare to spend longer periods indoors, we would like to share some links to websites, which support physical activities and fitness at home. Many thanks to Vanessa Pender, Barnet School Games Organiser for forwarding the information:

Celebrations

Football

Trent football team continue an excellent run of good form with a home win of 2-0, against St. John's School, Whetstone. Both goals were scored by Hadley Y6 in the last 10 minutes of the game! Mr Taylor's player of the match was Hadley *"Hadley was the super sub because he came on the pitch and helped us get a win with two spectacular goals!"* Andrew Y6 gave his view of the match saying *"It was a tough match because they kept intercepting our passes and I nearly scored a goal when I was in goal!"*

Congratulations

Congratulations to this amazing gymnast who achieved a gold medal in an area gymnastics competition, well done indeed!
